MESSAGE FROM CHAIRMAN - KALANTAR ART FOUNDATION

Dear Friends,

Way back in 2012 when we started the journey of Kalantar, we were sure that one day it will reach to millions of people like you - who want to explore the art within, and who want to convey themselves not by words rather by expressions. And, I am glad that I have been able to reach you to convey #MissionKalantar.

Our Annual Art Festivals are not just competitions on various art forms in various age groups, rather they **are a trigger to bring your mind in sync with your heart**. And so is our upcoming event KALANTAR 2026 – Annual Art Festival. **At Kalantar, we believe that art is not just a skill, rather, it is the strongest tool to bring a huge social revolution in the society**.

Whenever you paint, sing, dance, write, act, design, recite or orate, somehow it raises our serotonin levels. And mark this, these benefits don't just come from making art, they also occur by experiencing art. Observing art can stimulate the creation of new neural pathways and ways of thinking. Art releases stress and increases focus. So, **participate in this event to exploit the power of art within you**.

The topics / themes chosen for the art festivals are meant to ignite your mind. So, you don't have to search it on the online search engines. You search it within yourself, in your environment and in the society on a whole. **You will be able to make a better entry, only if will come out with your original thoughts and if the same is concatenating with the topic.**

Remember, **ART IS THE LANGUAGE OF HEART**.

Cheers!!!!

Vishal Srivastava
