Dear Colleagues,

After sending emails to over 1.5 lakh students thrice and inform to every possible group that I have, still there are students whose forms are either not verified or need corrections. I really feel pained and am clueless about what should we do so that such a situation is avoided and we can utilize our time for some innovative work.

The examination branch is not authorized to verify/update the examination form submitted by the students which are to be done by the respective College/ Department/ Faculty.

You are requested to verify all pending examination forms on the Samarth portal till 5.00 p.m on 10.05.2022 so that such cases can be finalized.

PS: The Examination Branch is not going to entertain any student's request pertaining to the examination form for examination May-June 2022 and the same may be notified to all students of your College/Department. Please don't send students to the examination branch in this regard.

Dean Examination
