Date : June 10, 2022

To

The Principal  
Rajdhani College  
Mahatma Gandhi Marg, Block C, Raja Garden, New Delhi- 110015

Sir/Madam,

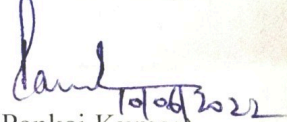

National Science Centre, Pragati Maidan, New Delhi, is a constituent unit of National Council of Science Museums, functioning under the Ministry of Culture, Govt. of India. The Council is primarily engaged in science popularization among the masses in general and students in particular.

We feel pleasure to inform that there is a continuous flow of visitors every day to National Science Centre, Delhi who visit galleries and enjoy the other facilities of the Centre and the number increases during weekends & holidays. In order to give a satisfactory and an exciting experience to the incoming visitors, we would like to engage fresh science graduates for engaging them as explainers on weekends & holidays. These explainers would demonstrate gallery exhibits to the visitors and can also conduct shows/facilities. The payment of Rs.500/- (Rs.Five Hundred only) will be made to these students for devoting 5 hours per day as explainers.

The list of interested students with contact details may please be sent at the earliest so that an empanelment (12 months validity from the date of selection) may be prepared on the basis of their communication skills. The explainers may then be engaged as & when required during the year.

Thanking you,

Yours faithfully,

  
(Pankaj Kumar)

Deputy Controller of Administration
